

## **APRIL-MAY MESSAGE FROM THE BLACK SHEEP SENIOR SQUADRON COMMANDER**

It was a slow March and April. So, I am combining the April and May Commander's message.

We will continue to meet in the lobby of the Centennial Airport Tower.

A few more changes have occurred at wing. Our Safety Officer **Captain Bob York** has taken on the position of Wing Safety Officer. I expect him to stay in the squadron. **Captain Gordon L. Rourk** is the new DDR Officer.

### **STAFF**

**Major Steve Purcell** has asked to be relieved as Supply Officer and be assigned as assistant Standardization and Evaluation Officer. He has been reinstated as a CAP instructor pilot and we hope to get him back as a check pilot. Contact him or **Lt Col Bob Beabout** if you need any help in this area. We have a **vacant** Supply Officer position if anyone is interested.

### **OPS/ES**

We have had a few problems with the aircraft. 71N went in for an annual and they found a problem with the Turbo. See picture below.

## TRAINING

**1LT Jim Montgomery** held a Mission Observer Class and the following members attended: **1Lt Roger Carlyle, 2Lt Tim O'Brien, 2Lt Stanley Losiewicz, Captain Hank Eng, 2Lt Mark Patton,** and **1Lt Paul Mallon. Major Pete Krueger** and **2Lt John Graves** of the Platte Canyon Griffins Cadet Sqdn completed the Scanner classroom. Thanks to all the instructors that helped out. **Captain Henry Eng** and **1Lt Bill Agster** completed the Squadron Leadership School (SLS)
